OH&S Policy

Mini-Crete Concrete recognizes its moral and legal responsibility to provide a safe and healthy working environment for its employees and the general public.

Mini-Crete Concrete is responsible for providing the means to enable every employee to work safely, including, but not limited to, the requirements laid down by Australian law. Mini-Crete Concrete, along with its nominated subcontractors, is committed to ensure that in all areas of the workplace, everything reasonably possible is done to prevent injury and ill health.

All employees are responsible for their actions and are required to do everything possible to prevent injury to ones self and fellow employees and this, in a cooperative spirit while respecting all legal aspects of health and safety legislation.
